Program

There will be a brief informal program hosted by Jason Travers, President of the Midwest Symposium for Leadership in Behavioral Disorders, followed by a brief talk by one of Rich's former students. There will then be an *open microphone* for anyone attending to share their thoughts about Rich, his life, his work and his contributions. We will try to limit these to one minute per person and allow as many people to share as possible. A cash bar will be available at the event. **Note-** Another conference event will be in this room until 8 p.m. - if you arrive early, please don't enter the room until 8:15 p.m.

Who Can Participate?

This celebration is open to anyone! Although the event is being held as a part of the Midwest Symposium for Leadership in Behavior Disorders conference, you *do not need to register* for the conference to participate in this event. Please share this announcement with others who you think would be interested.
