 - Track CEUs on your mobile/tablet device. CEUHelper is a web/mobile application for obtaining and tracking CEUs.
 - **Search for our conference - Second Annual Richard L. Simpson Conference on Autism**
2. To check in and out of events:
 - Find your session in the list on the CEUHelper App
 - Look for the MSLBD Committee Members, they will direct you to the QR code to be scanned. This will check you into the session. At the end of the session scan the “Check-out” QR code to check-out of the session.
3. Be sure to sync your sessions through the conference.
4. At the end of your time at the conference (typically on Friday):
 - **Click “Leave the Conference”** after you are done attending events and are leaving the conference (i.e., you’re not coming back the next day) and you have an internet connection. This will make sure all your CEUs are synced. You should receive a CEU certificate via email within a few weeks (remember to check junk email folders).
 - **Pay for CEUs at the Conference Registration Desk.** \$5 per CEU, cash, check or credit cards. This is the only way we will know you are requesting your Certificate with CEU’s.

What if I don’t have a mobile device or don’t want to use CEUHelper?

If you do not have a mobile device, or you do not want to collect BCBA CEUs with CEUHelper, then stop by the registration desk at the conference to pick up your paper tracking form. MSLBD Committee Members or the Presenter can sign your form.
